**NARRATIVE REPORT ON SCHOOL-BASED TRAINING
ON LOCALIZED VIDEO MATERIALS AS AN ICT INTEGRATION IN TEACHING**

I. INTRODUCTION

In line with the implementation of Enhanced Basic Education Curriculum Act of 2013 (Republic Act No. 10533) DepEd Order No. 43, s.2013 section 10.3 on production and development of materials and DepEd Order No. 34 s. 2022, re: School Calendar and Activity for SY 2022-2023 on the conduct of Learning Action Cell as a K to 12 Basic Education Program School-Based Continuing Professional Development Strategy for the Improvement of Teaching and Learning particularly Curriculum Contextualization, Localization, and Indigenization, Marinig South Elementary School conducted the Learning Action Cell entitled “School-Based Training on Localized Video Materials as an ICT Integration in Teaching” last January 27, 2023 from 1:00 pm to 4:00 pm at the school covered court.

The LAC aimed to provide guidance and key points in creating a video lesson using Canva application to improve and enhance the knowledge and skills of the teachers in creating video lessons as an integration in the delivery and facilitating teaching and learning process.

II. TRAINING PROPER

The session started with a prayer led by Ms. Mary Jane Marquez and Nationalistic song through an audio-visual presentation. Then, Mr. Emmanuel B. Cerda, the school principal, gave his opening message. It was followed by the introduction of the speaker given by Maria Eda C. Lapidez, one of the school's Master Teacher.

Mr. Patrick L. Pernia, the speaker, is a member of TITANS in SDO Cabuyao and a technology enthusiast. He started his talk with a game where he showed some icons, then asked the participants to guess the name of the application shown. After that, he showed some videos where he solicited some ideas from the participants about the video. He let the participants identify what was wrong on the presentation. Then, he shared his knowledge about ways on how to improve those videos, as well as creating video lessons. He shared the four keys in creative video lesson. He elaborated on the secret elements of a video lesson such as lightings, slide transition, style, angle, animation and sound effects. He also showed

his own video lessons to discuss how such videos were made. He even gave some tips to achieve best effect. Then, he allowed the participants to ask questions for

clarification. Since output is a requirement for this session, the participants were very attentive so that they can create a good output to be presented. After that, the participants were given time to apply what they have learned from the speaker by creating their own video lesson or presentation using Canva application. Lastly, outputs were presented to the whole faculty.

The session concluded with the awarding of certificates. Recognition was first given to the speaker, Mr. Patrick L. Pernia, for his generosity in sharing his expertise on ways to improve teaching by making videos using Canva. It was followed by the Technical Working Group (TWG), and lastly, by all the participants.

Sir:

The undersigned would like to seek permission from your office for the conduct of our School-Based Training on Localized Video Materials as an ICT Integration in Teaching on January 27, 2023, 1:00-4:00 PM at Marinig South ES Covered Court. This activity is anchored on the Project URL-TECH (Utilization of Resources for Learners Using Technology) of the Enhanced School Improvement Plan and Basic Education Development Plan.

In compliance with the time-on-task policy, the school ensures that there will be no classes disrupted in the conduct of the training wherein the classes schedule of the participants is in the morning.

Attached herewith is the training proposal with complete documents for further evaluation. We are hoping for the approval and accept recommendation if needed.

Thank you and God bless.

Respectfully yours,

EMMANUEL B. CERDA
Principal II

1. Venue is not so comfortable.
2. The topic is more appropriate if we have a room that will be convenient for the participants and the speaker to work with.
3. Another seminar like this for mastery

RECOMMENDATION/S:

1. Provide a reliable internet connection especially if it's about ICT.
2. Use a venue that is appropriate for the SLAC.
3. Provide a clearer audio system.
