PROJECT DREAM

Project DREAM (Disaster Resilience Education and Advocacy for MSES)

Project Objective

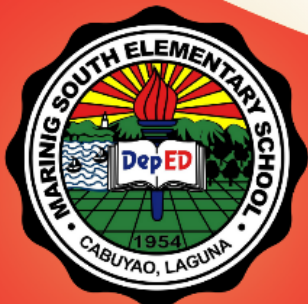

To decrease the number of Grade Four learners who have a low level of understanding of the hazards, awareness of safety, and preparedness of potential risk from 122 to 10 by the end of SY 2024-2025

Status of the project

2 out of 7 activities stated in the approved proposal are well executed with accomplished M&E, documentation, reflection notes, and outputs.

Marinig South Elementary School, particularly the Grade 6 learners, conducted a classroom-based training under Project DREAM (Disaster Resilience Education and Advocacy for MSES) with the theme "Be Alert & Respond: A Basic First Aid Training for Grade 6 Pupils" on May 4, 2023. The training was facilitated by Ms. April K. Terrenal, who discussed ways to treat heat exhaustion that may occur in school and in the learners' respective homes.

The Municipal City of Cabuyao Environment Rescue Service (EPOL) of Marinig South Elementary School, under the leadership of PTA President Nelson Delfinado, organized clean-up activities to ensure that school gardens, sidewalks, and school grounds remain free from trash.

Marinig South Elementary School, along with Grade 5 Adviser Mr. Edgar G. Aquino and Mrs. Maria Eda C. Lapidez, conducted an educational program to teach students basic survival skills and proper knowledge during dangerous situations. One aspect of this program is teaching students how to perform emergency aid.

Marinig South Elementary School prioritizes the safety and well-being of its students, teachers, parents, and school personnel. The repair of gutters in the school has been successfully completed, thanks to the efforts of our Principal, Mr. Emmanuel B. Cerda, with the support of the budget from the Municipal City of Cabuyao.

The student-Led School Watching and Hazard Mapping initiative aims to educate students in public elementary and secondary schools on identifying and addressing hazards and risks. This program aligns with the guidelines outlined in DepEd Order No. 50, series of 2011, titled "Creation of DRRM Office," and DepEd Order No. 55, series of 2017, titled "Prioritizing the Mainstreaming of Disaster Risk Reduction and Management in the School System and Implementation of Programs and Projects relative to it."
