**PROMOTION**

**I. Introduction**

Promotion is the advancement from one position to another with an increase in duties and responsibilities and usually accompanied by an increase in salary. It may only be resorted to if there is a vacant item due to retirement, promotion, transfer, and the like. Anchored to DepEd Order No. 19, s. 2022 known as *DepEd Merit Selection Plan*, which establishes a competency-based Agency Merit Selection Plan to ensure that the Department hires and retains the right people for the right job at the right time, by strictly adhering to the principles of merit, fitness, competence, equal opportunity, transparency, and accountability, a teacher in Marinig South Elementary School (MSES) has gained a successful leap in her career.

**II. Data**

Currently, MSES has gained a new Principal II, Mr. Emmanuel B. Cerda, who was transferred to the school last December 2022. Additionally, a new Master Teacher was appointed to provide technical assistance in order to enhance the quality of learning since there was a tremendous increase in the number of pupils and teachers.
