Marinig South Elementary School organized a comprehensive classroom-based training on drug awareness, spearheaded by the dedicated leadership of Mr. Christian A. del Valle, on May 18, 2023. The training session aimed to enlighten and empower selected Grade 6 pupils, comprising a total of 32 male and 32 female attendees, about the detrimental impact of drugs on our health. Through engaging discussions and interactive activities, the participants gained a deep understanding of the negative consequences associated with drug abuse. This valuable training initiative emphasized the school's commitment to equipping students with essential knowledge to make informed decisions and lead a healthy, drug-free lifestyle.
